

**Land Use Planning in Proximity to Natural Gas and Hazardous Liquid
Transmission Pipelines in Washington State**

Acknowledgements

These guidelines would not have reached this point without the hard work and support of the following:

Alan Rathbun, and Tim Sweeney, Washington Utilities and Transportation Commission (WUTC)

Jim Doherty, Municipal Research and Services Center of Washington (MRSC)

Victoria Lincoln and Shari Sawyer, Association of Washington Cities

Leo Bowman, Benton County Commissioner

Phil Mees, Benton County Planning and Development

Pete Kmet, Tumwater City Council

Kraig Olason, Whatcom County Planning and Development

Rick Kuprewicz, Accufacts, Inc.

Dave Barnes and Jim Clark, Olympic Pipeline Company

John Cassady, TransCanada, GTN System

Grant Jensen, Williams Gas Pipeline

Kimbra Davis, USDOT Office of Pipeline Safety

Carl Weimer, Pipeline Safety Trust

Canadian Energy Pipeline Association (CEPA) and Canadian Standards Association (CSA)

Participants in 2004 and 2005 Workshops

Bob and Marianna Archey, Roundtable Associates
